The last known address of inventor Stephan Sydor is: 36330 Paddleford, Farmington Hills, Michigan 48331.

The undersigned has attempted to have Stephan Sydor joined in this patent application. Attached as evidence of these efforts are two letters sent to Stephan Sydor by certified mail with return receipt (attached are copies of the two letters and copies of the corresponding two signed return receipts). Note that the return receipts were not signed by Stephan Sydor but were signed by Brenda Sydor. Each letter had enclosed a copy of the patent application as filed and a declaration (and assignment) to give Stephan Sydor the opportunity to join in this patent application. Stephan Sydor has not responded to these letters, and it is now believed that Stephan Sydor refuses to cooperate.

It is hereby that the Commissioner allow the application for patent to be made on behalf of both inventors by allowing the undersigned to prosecute this application in the absence of a declaration signed by inventor Stephan Sydor.

Respectfully submitted,

Douglas C. Campbell
